

Aim to achieve at least 20 points during the term. This should take approximately 10 hours excluding reading, spelling and times tables. You must complete the 3 star tasks. 1 task should be completed each week in your learning log. Your learning log must be returned to school every Monday. Colour in each task as you finish it. Remember to apply our learning powers and edit your work to make sure it is the best you can do. Check your spelling, punctuation, grammar and presentation. Don't forget to read daily and sign your reading record. Spellings and time tables practice will be completed weekly.

Year 2	Points	Set yourself a personal challenge to work on and accomplish eg. learning to skip or learning to ride a bike.	Create your own investigation for materials, choosing a property to base it on – the strongest material, the softest, the material that stretches the most etc.	Practise writing and counting to and back from 100.	Write a story that is a twist on a traditional tale, for example Goldilocks and the Three Elephants.	Practise counting forwards and backwards in 2s, 5s and 10s. Write them down. Can you spot any patterns?	
	5						
	4	Visit your local library. Take out 2-3 books and write a book review about your favourite one.	Research some facts about materials and their properties.	Research African art and create your own piece.	Challenge a family member or friend to a PE challenge. Who can do the most burpees? Sit ups? Press up? Make a table to show your results.	Design and create your own E-safety poster.	
	3	 Do some baking at home with an adult's help. Measure and weigh out all the ingredients carefully. Write the recipe.	Research, then design a poster about Christianity or Islam.	Research a country in Europe and create your own power point or fact sheet to show what you have found.	Find out about compass directions and a way of remembering them and create a picture of them.	Design your own game of snakes and ladders and practise counting to 100.	
	2	Practise your cursive handwriting.	Do something kind and helpful for someone in your family, without being asked.	Learn your 2x table and write them out. Practice doubles and halves. You can show this in an imaginative way.	Learn to read and write at least 10 of the year 2 common exception words. Can you put any into sentences?	Write a book review about one of your favourite books you have read recently. It could be a chapter book you have read with your family.	
	1	To learn your number bonds to 10/ 20 and write them out, making sure you write them as a sum.	Go on a bike ride or walk with your family. You could record this in writing and take a photograph. What did you see on your travels?	Write a diary entry about a day in your week or weekend.	Write your own short story.	Play a board game with your family.
