

It is Snowtally Snowy - so wrap up warm and enjoy some chilly challenges at home!

Year 4	Points	A	B	C	D	E
	5	Write 4 winter maths word problems for your friends. You must be able explain how to solve them!	Imagine Father Christmas has decided to go on strike – how will you persuade him to get back to work in time for Christmas!	Write a list of (at least 6) curious questions about Christmas or winter?	Write a winter poem. Use your senses, similes, metaphors and create a mood. Illustrate it!	Write a fact file about an animal that lives in a snowy habitat.
	4	How can you keep your snowball from melting? (no freezers allowed!)	I am stuck in the snow! Come and rescue me! How will you do it?	Create a winter quiz! We can ask the class when we get back in!	Write instructions for making hot chocolate (and drink it!!!)	Investigate: What is snow? How does it form?
	3	Find a winter poem and practice reading it with expression. Can you learn it off by heart? I would love to hear it!		Art in Blue Look at one of Kandinsky's Blue paintings (www) and create one of your own in his style.		Cook up a treat As an adult to help you make a Winter Warmer. What will you make? Mince pies? Soup? Reindeer biscuits? Or make some cookies and decorate them creatively
	2	Build a sledge for a small toy using household materials.	Create the perfect winter menu. What would be your ideal meal for the chilly, wintry months?	Made a model of a something snowy or Christmassy eg snowman/angel/Santa/snow palace using recycled materials	Write me some snowy jokes. <i>Q: How does a penguin build a house?</i> <i>A: Igloos it together.</i>	Write a winter song and/or dance.
	1	Go for a walk with a grown-up and take a camera to capture some lovely winter photographs.	Create a piece of snow art – it could be a snow animal or a landscape. You can only use natural material.	Go on a sensory winter walk with an adult. What can you see? What can you smell or hear?	FREE CHOICE Whatever you chose, I will be interested to see what it is !!	FREE CHOICE Whatever you chose, I will be interested to see what it is !!

How many points will you get? Don't forget to read and practise your times tables too. Keep warm. Keep Safe. Have fun!
