PERSONAL DEVELOPMENT

Dreams & Goals

This is an opportunity for children to work on resilience, cooperation & perseverance - as well as to dream 'BIG'.

Background information

We work hard on our whole school approach to behaviour and to teaching PD at Sauncey Wood Primary School. We are constantly amazed by our children; their attitudes and behaviours are something to be really proud of. This unit of work will reinforce our Sauncey Wood values. It will ensure all children make progress – socially, emotionally and academically. They will see the benefits of setting goals, persevering, working in a group and celebrating their success.
