

R e c e p t i o n	Points	Communication, Language and Literacy	Maths	Physical Development	Knowledge and understanding of the world	Expressive Art and design
	5	Practice writing your name- this might be with pen and paper, magic painting, chalking.	Go on an outdoor hunt, find a long stick and a short stick, a big stone and a small stone, and 2 leaves the same size. 	Climb a tree.	Go on a bug hunt- which animals did you find?	Make your own instrument and bring it into school to play to the class.
	4	Use your manners at all times- remember manners make a man and cost nothing- they are so important.	Practice counting to 20- count cars, toys, money, anything you like- can you count forwards and backwards to?	Build a den inside and a den outside- which one do you like better and why?	Share a photo about a family celebration.	Take a photograph of something or someone who makes you happy- can you explain why the image makes you happy.
	3	Interview a family member- think of 5 questions you would like to ask them.	How many different ways can you make 5? 10? 15? 20? Try using real life objects and then see if you can record this in your learning journal.	Practice using your fine motor muscles- Can you thread? Help hang the washing out? Set the table? Build with Lego?	Dance and sing to your favourite music and record a video. 	Create a self-portrait.
	2	Read a book in your favourite place- take a picture and talk about why it is your favourite place to enjoy a story.	Explore capacity with water- can you explain when a jug is full, half-full and empty?	Learn to skip- this might be using a big rope or an individual rope.	Can you find out 3 interesting facts about where you live and 3 facts about the wider world.	Role-play at home- hospitals, cafes, shops, vets, dentists, holidays.
	1	 Read every single day and ask an adult to sign your reading record.	Go on a shape hunt around your house and outside- how many different shapes can you find- record them in your learning journal.	Learn a new skill or game- teach it to a friend.	Send us an email using: shamit@saunceywood.herts.sch.uk Tell us what you are enjoying at school and what else you would like to learn about.	Create a picture of the season Autumn - you can use any media or materials and be as creative as you like.

Aim to achieve at least 30 points during the term. This should take approximately 15 minutes a week. You must complete the 3 star tasks. 1 task should be completed each week in your learning log or uploaded to Tapestry. Your learning log must be returned to school every Monday. Colour in each task as you finish it. Remember to apply our learning powers to do your best work. You can also add your home learning to Tapestry as an observation. Do not forget to read daily and sign your reading record.
