Dear Parent/Carer

Ofsted Inspection Outcome Letter – 19th June 2018

Following the most recent Ofsted inspection of Sauncey Wood Primary on Tuesday 19th June 2018, it is with great pleasure that I share with you a copy of the letter from Her Majesty's Inspector Rachel Welch. In summary, the letter confirms that Sauncey Wood continues to be a 'good' school and signposts the findings of the inspection.

The outcome of the inspection is positive news for Sauncey Wood and it is clear that we have made improvements from the previous inspection report. It reflects the hard work of children, staff team, and the Governing Body. The report also demonstrates the impact of the support provided by parents/carers for Sauncey Wood children. It is therefore extremely important that I acknowledge and thank you for your continued support.

Whilst the report is extremely positive, myself and all stakeholders intend to take the opportunity to review its content with you and to reflect on how we can further strengthen the provision at Sauncey Wood for the benefit of the community. The Senior Leadership Team and Governing Body are already working hard to identify areas we can improve upon next academic year.

I hope that you find the inspection outcome letter informative, however if you do have any questions arising please do not hesitate to make contact with us either by telephone or by email at admin@saunceywood.herts.sch.uk.

In conclusion, all that remains to say is that I am immensely proud of the inspection outcome and the efforts of everyone who contributes daily to our high quality provision here at Sauncey Wood Primary school; **Harpenden's hidden gem!**

Kindest regards

Mr Lloyd
Headteacher
