## Players Code of Conduct

Dear Players

School sport is an important part of your education. Sport gives you a healthy life-style, it teaches you self-discipline and perseverance, and it encourages respect for others and sportsmanship. Playing the game is more important than the result and playing with fairness and friendliness are attitudes you should aspire too.

We are adopting the School Games' values of determination; honesty; respect; passion; teamwork and self-belief – please remember these when you play.

The Harpenden & District Primary Heads Consortium expects that you will behave in the following ways in both competitive and non-competitive sports:-

- Encourage your team mates
- Accept the decision of the referee
- Play fairly and respect others (both during any matches and when you are waiting to play)
- Use appropriate language (any disrespectful language may result in your team being withdrawn from the competition)
- Remember your school rules still apply even if you are visiting another school

If players do not follow this Code of Conduct then action will be taken and you will not be allowed to represent the school in future matches.

Please sign the slip below to confirm that you have read the Players Code of Conduct.

Thank you for your cooperation
