## Pantomime Trip Update

Dear Parents and Carers

As you well know, we have been keeping a constant eye on all events and news relating to COVID. I wrote to you last week explaining that we will be making a decision about the pantomime trip for all pupils.

The good news is, is that we are still going to attend the event and will continue to work closely with the Alban Arena and their staff to ensure that the visit is as safe as it can be for all involved.

We are aware that some parents have made the choice not to send their children on this whole school trip, which we acknowledge and accept. The children who are not attending the trip will be at school and working with several staff members who will stay behind to support them in the morning for the duration of the time the rest of us are away from school.

We have added in a few extra safety precautions to allow the trip to go ahead. These are quite simple and nothing out of the ordinary:-

1. Please can all children bring a face covering for the coach trip. Children will also be allowed to wear these in the pantomime if they wish.
2. If any child is showing symptoms on the day of the trip, we ask you all to err on the side of caution and not send the child into school. They will not be allowed to attend the trip if we see clear symptoms being displayed.

We want to ensure that we continue to minimise the risk as much as possible and enable the children to have some level of normality by taking part in the first fun thing we have done as a school in over 18 months. We are keen to ensure that this trip goes ahead as safely as possible and want it to be one of only a few memorable things we have been able to do this year.

**Please be aware that this may still be subject to change.**

Thank you for your continued support.

Kindest regards

Mr Lloyd
