## Year 5 and 6 - Mobile Phones and Walking to School

Dear Parents and Carers

As you may be aware, children in Year 6 are permitted to bring mobile phones into school if needed to support them on their journey home.

We are now mindful that it is the Summer Term and we offer the opportunity for Year 5 pupils to start to walk to school from this point forward. We just wanted to make you aware of the protocol when it comes to having phones on the school grounds.

Below are three very basic rules we follow that all children and parents need to pay close attention to:-

- 1. All pupils are to ensure their phones are turned off before they enter the school grounds.**
- 2. No photos are to be taken of any other child for any reason, with or without consent.**
- 3. If we are concerned about the behaviour of the child with their phone before or after school, it will be confiscated.**

On entry to the school grounds, children are required to switch off and give their mobile phone to their Teacher who will store them in a specific box or tray in the classroom. They will then be given them back at the end of the school day.

This will ensure that children do not access them during the day and keeps them secure. Whilst we will take custody of the phones for the day, we will not be liable in the event of their loss or any damage.

Thank you for your continued support.

Yours sincerely

Mr Lloyd  
Headteacher
