Year 6 Class Enterprise Project- make £5 grow!

Dear Parent / Carers,

Over the next few weeks, Year 6 will be taking part in this year's Enterprise Project; 'Make £5 grow'. Learning across the curriculum will be linked to the project. They will be learning about what makes a successful business, how businesses work and about profit and loss.

The culmination of the project will be a Grand Enterprise Afternoon on Friday 7th July where the children set up their own stalls to run. This will run after school and children will be expected to stay and tidy away their stall at the end. Each child will be loaned £5 to start their business and will try to use that to make a profit. As a class, the children have decided who they will work with and what their stall will be. Some have decided to work on their own, others in pairs and some in groups pooling their money together. The children will be given support and guidance throughout the project, and we hope that all stalls will make a profit. The children will have plenty of scope to use their initiative throughout the project.

In order to maximise your child's learning to make £5 grow and to ensure that all the groups have an equal opportunity, please do not give any additional money or resources to your child's group. Children can ask for donations, use second-hand items and 'borrow' resources from home such as ice cream scoops. We are asking for your support in helping your child and their group purchase or prepare any resources that they may need (for example if they are running a cake stall, cakes will need to be made at home or if they are running a chocolate tombolo- chocolate will need to be purchased and brought into school.)

We will be asking parents to act as guarantors for the money loaned. This will mean that we ask you to pay back £5 in the unlikely event that your child loses their money or does not make a profit. **Please complete and return the reply slip below by Monday, 12th June. The money will be issued to each group on Friday, 23rd June as long as all slips for each child/group have been received.**

Kind regards,

Mr Contato
