Dear Parents and Carers,

SEX AND RELATIONSHIPS EDUCATION (SRE)

This letter is to inform you about the SRE that will be taught to your child's class over the coming weeks, as outlined in our Sauncey Wood school policy. This is a valuable part of children's education and all children will benefit from a clear and coherent programme of SRE.

- To introduce the concept of growing and changing and to know change is okay.
- To introduce life cycles eg understand that babies become children and then adults
- To know the differences between girls and boys and name body parts using scientific names: penis, testicles, vagina, anus.
- To understand that some body parts are private.

If you have any further questions about the content, please do let us know.

While you do have the right to withdraw your child from SRE lessons, we as a school, strongly recommend that your child participates and learns in safe environment.

Thank you for your support.
