## Parent Survey Feedback (2021 - 2022)

Dear Parents and Carers

Thank you to those of you who took the time to complete our most recent Parent survey. We really do appreciate your time in responding. It helps us to be continually reflective as a school, and to make changes if needed and also keep doing the things we do well. This letter details some of the feedback and what we plan to put into place moving forward.

The feedback in general was very positive and I think we agree that Sauncey Wood is a good school to attend. An overwhelming amount of children are happy and feel safe at school. The extra-curricular clubs we provide were noted as being excellent. Feedback shows that you feel your child is doing well at our school; we help you to support your child's learning and encourage them to achieve their best. There was also a 'thank you' for all we do to help children transition to Sauncey Wood and again onto secondary when they move on from us.

There were some suggestions on how we could make Sauncey Wood an even better place for all. During the Summer Term, we will be reviewing our Behaviour Policy ready for the new school year - we will share this with parents/carers and ask for your feedback when it is ready to review. Throughout the pandemic, uniform expectations were relaxed, as it was hard to shop when children outgrew their current uniform. The expectation is now very clear that all children should be wearing correct uniform at all times - this includes P.E. kits which should be the Sauncey Wood T-shirt, black shorts, lace up trainers and a plain black tracksuit for colder days. School shoes must be worn at all times, not trainers.

Moving forward, we are looking at the possibility of Year 6 wearing ties next academic year as another way to raise the profile of them being the oldest children and to support transition further.

As things go back to normal post COVID, we will be reinstating many of our initiatives that have been successful in the past including PLT, School Council, Tuck Shop and House Captains.

Concerns around bullying were raised by a few parents - we value this honest feedback. Our work with the children, linked to keeping themselves safe, is on-going across the school year and we continue to raise the profile of anti-bullying during focused days and weeks. We feel that we need to work together on this matter and in the near future we are aiming to run parent workshops where will be asking one parent from each of our families to attend. This will enable us to all be giving the same, consistent messages about dealing with such incidents. (More details to follow).

You asked to know more about what your child is doing at school - we are doing our very best to keep our social media accounts current and we are sharing more and more of the children's achievements - this will increase as time moves on. (Do not forget to like and join our Facebook or Twitter page). Please remember that if you have any concerns or worries about your child to email the School Office for the attention of your child's Teacher. We also have our Parents' Evening each term and end of year reports too, which detail the progress your child has made across the academic year in greater detail. We are also aiming to host an Open Evening event later this term.

With regard to communication and some of the survey feedback stating there are often too many emails - it really is quite hard to find the right amount for all - we do our best and moving forward, we will continue to be as mindful as possible around our communications. Our aim is only ever to keep you as well informed as we can.

After reading and digesting the comments and feedback, the school team and I continue to be incredibly proud of the school that we work in. The children are the heart of everything we do. All of the team here at Sauncey Wood only want the same as you as parents; the very best for your child.

Please remember that SLT's doors are always open and we value working in partnership with you to give your child the best possible education that we can.

Once again, thank you for your time in completing our survey.

Yours sincerely

Mr Lloyd  
Headteacher
